President David previewed the meeting noting that our new regular start time of 10:30 allows us to return to having more reports from our volunteer conveners. This means that for those that have missed the always informative Golf report, our ever-active Vice President is back on the links and will bring us up to date on the golf and he is sure to remind us of the time of the first swing.

David noted that our guest today is the evergreen performer Roland Storm. Roland has been performing for well over --- well let's just say that he was performing before the Beatles.

Bushwalking report: David provided the update from Bushwalking convenor Val Lawrence who noted that everyone seemed to enjoy Last week's walk. There were even some members who hadn't been to the lookout before. Magnificent views of all the waterways - 5 meet here: Hawkesbury, broken bay, Pittwater, Brisbane water and the ocean, and Arthur Adeney spotted a whale breaching in the distance off Bouddi. We saw a few wildflowers

popping their heads open and a beautiful little glade of flannel flowers, some of which were also open. Lovely weather again for our Probus bushwalkers.

Next month is a walk for our members who are less fleet of foot - a comfortable walk along Ettalong waterfront to the palm beach ferry and return. The Box Cafe serves good coffee and snacks for those who are interested, or maybe some of you would like to head to the Ettalong Diggers for lunch.

Treasurer's Report - David Minshall provided the Treasurer's report noting our excellent financial position. President Minshall has assumed the Treasurer role from Ann Dillon with thanks to Ann for her over three years of superb service in the position.

- Golf Report - Peter Mear announced the new starting time of 9:40AM for the golf group at Breakers Country Club.

President David inducted Linda Mabbott: Linda was encouraged to join Probus by her friends Lyn Martin & Jan Alford who have both known Margaret for four years. She was employed as a Secretary & Personal Assistant during her working career. Linda is interested in art, sewing, craft and the Celtic harp. That sounds a very interesting instrument. Maybe a future recital! She was provided with a copy of the constitution and a badge had been ordered.

Vice President Peter Mear introduced our guest, the singer and performer Roland Storm who played familiar tunes along with commentary. Roland chose the raffle winner.

Conclusion of meeting- David adjourned the meeting at 11:50
